

Pollution Incident Response Management Plan Template

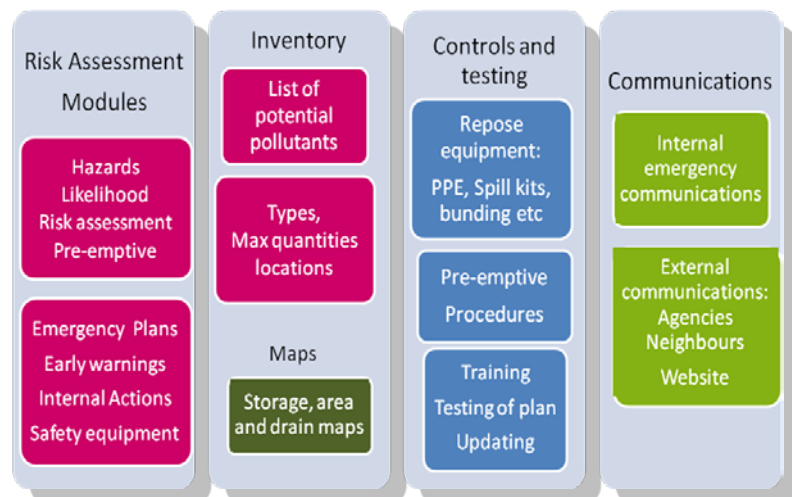

Get the PIRMP Template package and save time

ASBG's PIRMP Template will get your site ready for compliance with the new legislative requirements.

ASBG's PIRMP Template Package gives you:

- ✓ A template document with 'fill in the blanks' sections
- ✓ Example spill response and other procedures
- ✓ Example website materials for compliance
- ✓ Use of the risk modular approach - see diagram
- ✓ 3 hours consulting assistance

Contact ASBG on 02 94533348 or visit www.asbg.net.au – ASBG events

Prepare your Pollution Incident Response Management Plan quickly with the aid of ASBG's PIRMP template package.

Over 40 pages of a fill in the blanks template will greatly speed up your compliance requirements for your sites with Environment Protection Licences.

What does the package include?

- ✓ **Template document in Microsoft Word docx**
- ✓ **Legislative details on what is required**
- ✓ **Example list of internal reference documentation**
- ✓ **Listing of Local Government and Ministry of Health contact details for NSW with a map of Local Government areas**
- ✓ **3 hours of consultancy assistance with the package (on-site visits can be arranged)**

Details:

Price: \$1,500 + GST

Available to EPL holders only

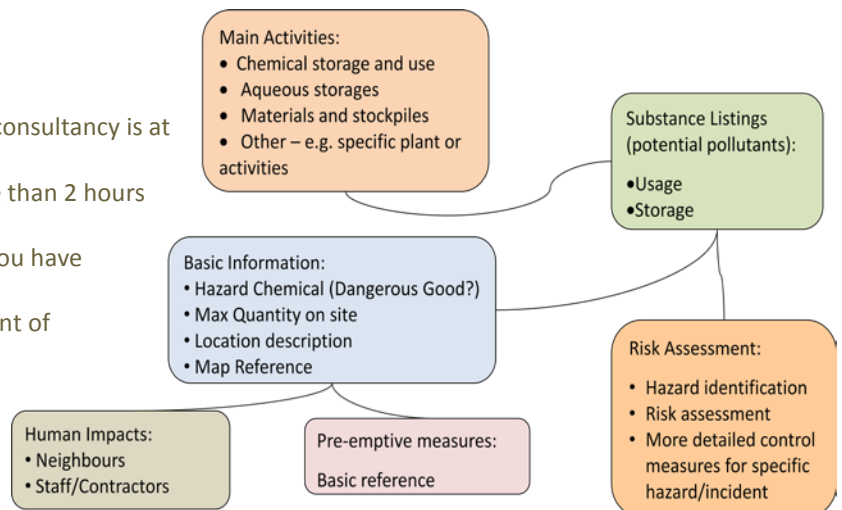

Consultancy assistance of 3 hours is included additional consultancy is at \$150/hr

On-site visits can be arranged – additional costs for more than 2 hours travel time may apply.

It is recommended to use the consultancy service after you have completed your Draft PIRMP according to the template.

The template is a guidance system only, hence the amount of work required to comply with the PIRMP requirements will vary with each site.
