PETER J RAMSAY & ASSOCIATES

TWO-DAY WORKSHOP

A COMPREHENSIVE PACKAGE TO GET YOU UP TO SPEED ON ENVIRONMENTAL MANAGEMENT RESPONSIBILITIES

An intensive course to provide the knowledge and tools to manage environmental obligations as a professional environmental manager does on a day-to-day basis.

- ✓ A session on environmental law to protect your company from pollution prosecutions, covering NSW pollution and other laws
- ✓ The main risk areas from legal to practical covering:
 - Contaminated land, legal requirements to remediation methods
 - Waste management – hazardous to recycling and exemptions
 - Air pollution and odour, what are the limits and how to control
 - Water pollution, what is it and how to control it
 - Noise pollution, measurement & dealing with neighbours
- ✓ How to manage, negotiate and vary Environmental Protection Licenses
- ✓ Receive management guidance through our Environmental risk management workshop
- ✓ How to go beyond compliance and how ISO 14001 Environmental Management System works
- ✓ Competency test and certificate of attendance for CPD points

This workshop is supported by Clyde & Co, Stephenson Environmental Management and Peter J Ramsay & Associates
