

Queensland's Waste Classification Workshop

A focus on soils

Brought to you by

Supported by

17, 18 & 19 JUNE 2025 – WEBINAR - 3 x 1.1 HOUR SESSIONS

This seminar set is designed to help environmental professionals come up to speed on the complex area of waste classification, resource recovery, and its management. Queensland environmental laws establish a complex set of legal controls on contaminated soils, waste generation, transport, re-use, recycling, treatment and disposal of wastes. Webinar is run over three sessions [3 x 1.1 hour sessions] plus question time will cover the following areas:

- ✓ Definition of waste → waste is very broadly defined, but how broad?
- ✓ Waste offences: → Environmental harm and illegal landfilling, illegal treatment and other offences
- ✓ Waste contaminated soil → Permits for disposal, treatment or as end of waste
- ✓ Waste licensing & other requirements under schedule 1 EP Act and Regulations
- ✓ Waste Reduction & Recycling Act – overview of its contents
- ✓ Waste levies increases including changes for exempt Contaminated soil
- ✓ Transport conditions for wastes
- ✓ Landfilling criteria and recycling for both on and off-site activities
- ✓ Management of asbestos waste
- ✓ Use of End of Waste Codes → where they apply and what to do to implement them
- ✓ Waste Classification of non-trackable wastes
- ✓ Regulated Waste classification:
 - Using the desktop approach
 - Undertaking analysis to change Regulated Waste Category
- ✓ Hazardous waste → typical landfill acceptance criteria
- ✓ Immobilisation → what is it and where to use it and approval processes
- ✓ Waste tracking → waste codes, intra state and interstate

Details at a glance

Date: 17, 18 & 19 June 2025
Time: 12 noon to 1:05 pm each day
Venue: Webinar using Crowdcast

PROGRAM

Session 1	<u>Waste Laws and Introducing Waste Classification</u> <ul style="list-style-type: none"> ✓ Introduction – Waste and contaminated soils ✓ Overview of the waste laws covering, waste definition, waste licensing, waste transport laws ✓ Illegal waste liabilities: dumping, land pollution, transporters and facilities ✓ Introduction to waste classification → Regulated & Non-regulated wastes & how they differ ✓ Permits for disposal and treatment of contaminated soils ✓ EP Act, Regulation and Waste Reduction and Recycling Act (WRRRA) affecting contaminated sites ✓ ERA triggers for on-site management of contaminated soil, landfill, treatment etc. ✓ General conditions for transporting and storing wastes ✓ Waste levy and proposed changes how it operates across Queensland
Session 2	<u>End of Waste Codes and Other Wastes</u> <ul style="list-style-type: none"> ✓ Special treatment of contaminated soils: <ul style="list-style-type: none"> ○ Disposal and treatment permit for contaminated soils in QLD ○ Regulated and contaminated soil waste levy charges ✓ End of Waste Codes (EoW): coverage, use, documentation etc. ✓ Usefulness of EoWs for treated contaminated soils ✓ Applying for specific EoWs not covered by the published list and fees ✓ Overview on asbestos waste and problems with recycling soils and stockpiles ✓ Sampling, testing, storing, application and other requirements ✓ Tips on when and how to apply for specific EoW applications ✓ Managing asbestos wastes
Session 3	<u>Regulated, Hazardous Wastes and Immobilisation</u> <ul style="list-style-type: none"> ✓ Classification of Regulated wastes under Sch9 EP Regulation → how it works <ul style="list-style-type: none"> ○ Desktop or default approach ○ Sampling and testing approach ○ Exempt wastes including ground waters ✓ Treatment of PFAS in waste soils – landfill etc. ✓ Typical landfill acceptance criteria based on concentrations and TCLPs ✓ Liquid wastes and triggers for regulated wastes ✓ Immobilisation, where can it be used? <u>Transportation and Tracking of Trackable Wastes</u> <ul style="list-style-type: none"> ✓ Examine the tracking system for Queensland and touch on the IWTS ✓ Waste tracking data and on-line waste tracking ✓ Interstate tracking

PRICE (incl GST)	VENUE / WEBINAR	DATES AND TIME
Webinar ASBG / ALGA member \$125 Non-Member \$150 Notes, will be emailed to participants on completion and a certificate	At Your Computer A Website link will be issued with password: Required computer with internet download speed of > 5 Mbs	17, 18 & 19 June 2025 Live sessions All sessions Recorded for later viewing at any time
