26 JUNE 2013, SYDNEY

Morning Seminar - Pollution Incident Response Plans – Plan Reviews and Next Steps

This seminar will overview the latest issues and design pointers for preparing a PIRMP and complying with the testing and training requirements. It will focus on other companies experiences in implementing PIRMPs and ensuring you are ready for meeting the training and testing deadline of 1 September 2013. A legal overview will provide advice on the pitfalls of PIRMPs and the related immediate reporting requirements. Case studies will assist in learning and improving your compliance from others experience in PIRMP development and implementation.

Afternoon Workshop - Preparation, Training and Testing your PIRMP

The workshop will cover:

- ✓ An overview of the contents and key areas required to be covered in a PIRMP document
- ✓ What is a pollution incident? Does this include fires?
- ✓ How it differs from a typical Emergency Plan
- ✓ Example pollution cleanup response procedures
- ✓ Dealing with neighbours after an incident
- ✓ Developing testing programs
- ✓ Designing training programs
- ✓ Ensuring compliance on these issues
