TUESDAY, 26 NOVEMBER 2013 L27, 123 PITT STREET, SYDNEY

This is a conference to cover recent and proposed NSW environmental legislative changes. It will discuss how they are implemented and what the steps are and what new changes are coming. Key areas to be discussed include:

- ✓ EPA's Strategic Reform Agenda
- ✓ NSW's New Planning Laws and its progress
- ✓ How the Land and Environment Court works and what to expect
- ✓ Assessment of the Waste Avoidance and Resource Recovery Strategy 2013-21
- ✓ Dealing with community complaints – emissions, odour dust and noise
- ✓ Managing incidents – immediate reporting, PIRMPs & Publication of Monitoring Data
- ✓ Implementation and policing of these and possible future changes

The conference will contain a number of views to assist you in improving your compliance including:

- ✓ The Environment Protection Authority (EPA) will provide an update on their program to implement police and modify the new requirements
- ✓ Land and Environment Court – how it works and what to expect on criminal and merit appeals
- ✓ Legal views on complying with NSW environmental and planning laws
- ✓ Views from mediation specialist in dealing with community complaints and planning
- ✓ Perspective from corporate environment managers on the new changes
- ✓ ASBG members who have been involved in the negotiation of the above issues which has lead more flexible arrangements and how you can take advantage of them
